Dear Friend of FMH Foundation:

We deeply appreciate everyone who continues to support Fairfield Memorial Hospital Foundation as we embark on our *16<sup>th</sup> Annual Giving Campaign*. Through Foundation supported dollars, Fairfield Memorial Hospital has been able to respond to changing healthcare trends including, but not limited to, acquiring and maintaining modern medical equipment and technology. This year the Foundation was able to improve quality patient care and satisfaction by purchasing a new nurse call system for the 1<sup>st</sup> and 2<sup>nd</sup> floors of the hospital, in the amount of \$163,000.

In the current healthcare climate, managing to ensure that only the finest quality of patient care is being delivered is no small task in the whirlwind of challenges. Despite the challenges, quality continues to rise as it was announced that FMH has been rated as a four star facility by the Centers for Medicare and Medicaid by their new Overall Hospital Quality Star Rating! "Our staff members are our number one driving factor in the quality rating, and what an honor it is to be leading a four star facility," stated Katherine Bunting-Williams, Ph.D., FMH CEO.

In order to continue the standard of success that we have, we are asking you to participate in our *Annual Giving Campaign*. Your current donation will be cumulative with your past donations in regards to our recognition wall that is located near the main entrance of the hospital; as your cumulative contribution increases, your recognition plate will change tiers. Fairfield Memorial Hospital Foundation is a non-profit 501(c)(3) charitable organization; *all contributions are tax deductible as allowed by law.*

For those interested in *Planned Giving*, we have added this option to our gift offering menu. *Planned Giving* enables philanthropic individuals or donors to make larger gifts than they could make from their income. For those who would like to learn more about the benefits of gift planning and how to give, visit our website at [www.fairfieldmemorial.org/fmh-foundation](http://www.fairfieldmemorial.org/fmh-foundation).

The Foundation sincerely thanks you for your continued support and assures you that every dollar contributed to FMH Foundation is "Investing in Healthcare Excellence" for our community.
