I represent that I presently maintain medical insuance coverage which will reimburse the charges for the hospital and medical care being provided. If my medical insurance coverage is not sufficient to satisfy the hospital charges in full, I acknowledge that the resulting balance is not covered by this Assignment and I will be fully responsible for payment of this balance due upon receipt of patient bill as consideration for hospital and medical services rendered, and I agree to pay the established rates of Fairfield Memorial Hospital (FMH) and its physicians or independent contractors for all services, facilities, and supplies rendered.

In consideration of those hospital and medical services rendered by FMH, I hereby assign, transfer, and set over to FMH all of my rights, title, and interest to medical reimbursement, all other rights and privileges including, but not limited to, the right to designate a beneficiary, add dependent eligibility, and to have an individual policy continued or issued in accordance with the terms and benefits under any insurance policy, subscriptions certificate, or other health benefit indemnification agreement otherwise payable to me for those services rendered by FMH.

FINANCIAL AGREEMENT

I, the undersigned, agree, whether signing as an agent or as the patient, that in consideration of the services to be rendered to the patient, to pay the account of the patient in accordance with the regular rates and terms of the hospital within 30 days upon receipt of the patient bill. I agree that I may be contacted by telephone at any telephone number associated with my account, including wireless (cellular) telephone numbers, which could result in additional charges to my telephone bill. Provider reserves the right to decline further services to the patient without notice; to accept periodic installment payments without waiving its rights to demand payment in full; and the right to assign monies due. This Assignment shall be binding upon all heirs, personal representatives, and successors. I further authorize FMH to apply any overpayment on any accounts to any other unpaid accounts that I or my guarantor may have.
